# TAKE A WALK ON THE WILD SIDE

Tupper Lake, New York

*\*This is a great family experience!\**

**8:30am** Depart Rome – Freedom Plaza – 205 Erie Boulevard

**12:00pm** **The Wild Center – Natural History Museum of the Adirondacks**  
See nature up close and personal today. On arrival, we'll have a **private animal encounter** with one of the residents of The Wild Center. After that 30-minute experience, take off and explore on your own. Start at the glacier wall and follow it through the museum to see how the lakes of the Adirondacks were formed. See live exhibits, sea otters, fish, turtles and other creatures that call this area home. In the theater you can view multi-media films and learn more.

Outside, walk the trails, sit by the pond, and be sure to experience **Wild Walk!** Opened in 2015, this is the only elevated trail across the treetops in New York State. It will transform the way you see into the natural world by offering up the perspective of the rest of nature. Wild Walk is accessible to people of all ages and abilities.

There is a café to purchase lunch on your own, or bring your own lunch and use the picnic tables under the tent outside.
