The New York State Chinese Lantern Festival returns for a second year, after a successful inaugural event in 2017. See live performances, food trucks on site, and watch artisans perfecting their crafts. Demonstrations include inner bottle painting and a special calligraphy painting gallery.

Enjoy a 30-minute entertainment show focusing on Chinese culture. See Chinese dancers, acrobats, face changers, musicians and singers. The show is held inside one of the buildings and seating is available.

As the sun sets, stroll along a path surrounded by all new lighted lantern sculptures – dazzling works of art that light up the night sky. Tianyu Arts & Culture, Inc. produce and organize the lantern shows.

Over a thousand sculptural components will be created on-site by more than 30 artists from China. Welded metal frames covered in fabric will emerge as flowers, peacocks, cranes, butterflies, archways. The sculptures are LED-lit-from-within lanterns. Walk through breathtaking displays!
